

OFFICIAL ANNOUNCEMENT

STATE SUPERINTENDENT OF PUBLIC INSTRUCTION

(Nominations and Applications Invited)

UTAH seeks a progressive leader with the vision, values, and determination to accomplish significant educational improvement. The position involves exciting opportunities to have an impact on public education in Utah through the implementation of computer-adaptive formative assessment, quality instruction, standards-based curriculum and knowledge of state and federal education budgets and programs. Candidates must have demonstrated success in education, business, or professional settings. Candidates must have an advanced degree, with an earned doctorate preferred.

The state superintendent serves as the chief executive officer of the Utah State Board of Education, a non-partisan elected body that exercises "general control and supervision" over one of the most progressive education systems in the country.

SALARY

Salary is negotiable and competitive and includes benefits.
